

FOR IMMEDIATE RELEASE

17th ANNUAL FLORA AND FAUNA EXHIBIT

The Bedford County Arts Center gallery will be filled June 29-July 30 with multimedia images of flowers and critters in varying quantities—a single blossom or a glorious garden, a solitary feline or perhaps a bevy of bovines.

During the July 9-10 weekend, the exhibit will be brought to glorious life by the horticultural artists of the Bedford County Garden Club.

The public is invited to Meet the Artists at a Reception:
1-3 p.m. Sunday, July 10.

About the Bedford County Arts Council
