Chamber Announces Educational Partnership with Bedford County Fair FUN FARM FACTS at the Fair: July 24-30

The Chamber's Agri-Business Committee is partnering with the Bedford County Fair on a special program for the 2011 Fair. ***FUN FARM FACTS at the Fair*** is a unique and interesting way to learn more about the importance of agriculture in our region. The Bedford County Fair is a 136-year tradition; the 2011 fair runs from July 24-30.

Throughout the Fairgrounds, Chamber Agri-Business Committee volunteers will hang brightly-colored green posters containing special facts about farming, food, and agriculture-related business. Fair-goers will be invited to take part in a fact-finding scavenger hunt. Participants may pick up a question worksheet at the Fair Office, 4-H Building, or Chamber Fair Booth on the fairgrounds, and then seek out answers (found on the posters). There are 60 FUN FACTS to find. Participants can then turn in their completed worksheets at the Fair Office, 4-H Building, Chamber Fair Booth or Chamber Office to be entered into a prize drawing to be held August 5th. Fair-goers will earn one prize entry for every 20 questions they answer correctly. The worksheets will also be available for download from the Chamber website. The worksheets are free to Fairgoers.

FUN FARM FACTS are presented by the Bedford County Chamber of Commerce in partnership with the Bedford County Fair and with the help of these business sponsors:
