Celebrate Spring at the Home, Garden & Lifestyle Show April 7 & 8

The Bedford County Chamber of Commerce invites you to a local springtime tradition: the **2018 Home, Garden & Lifestyle Show, presented by Homewood at Spring House and Matt Randall State Farm.**

Just in time for warm weather and home improvement season, the Chamber is pleased to provide this showcase of local businesses to our community.

With business displays bursting beyond the walls of the Bedford County Fairgrounds' Jordan Hall, your next project is limited only by your own imagination.

Visit dozens of local exhibits and speak with experts on everything from heating and cooling systems to water purification to hardscaping and landscaping and so much more.

Experts in insurance, financing and investing will also be on hand to make your next home project or goal become a reality.

The Show serves as an important reminder to shop locally for goods and services, utilizing the talent and integrity of the business community of the Bedford County region.

By fostering these local business connections, valuable dollars stay within our community, benefitting everyone.

In addition to the traditional home-and-garden offerings, the Chamber's springtime trade show provides a feast for the senses and a myriad of activities, with something for every member of the family.

Outside exhibit space will feature the West Central

Equipment/John Deere Show, the Hines Equipment Cub Cadet Test Drive Challenge, and the Stoneham Motorports UTV Show, along with other displays.

Thanks to Matt Randall State Farm Insurance, musical guests will provide a soundtrack for the weekend, weather permitting, while food vendors will offer a variety of delicious lunch & snack options.

Real Life Church will present family activities Saturday at 11am.

Families will also enjoy the Friends of Shawnee Outdoor Experience, with wildlife and other programs throughout the weekend by rangers from Shawnee and Blue Knob State Parks and the PA Game Commission. *(Continued, page 4)*

Leadership Bedford County Visits PA Capitol

The Leadership Bedford County Class of 2018 recently visited the Pennsylvania Capitol as part of the Government Session. The class members visited with Rep. Jesse Topper and Rep. Carl Metzgar, discussing issues of importance to the business community and the region. The class was also introduced on the House Floor as part of the legislative session, which also happened to be "Saquon Barkley Day" in Harrisburg. Barkley is the record-breaking Penn State running back expected to be a first-round NFL draft pick this spring.

After their visit to the Capitol, which included a tour of the magnificent and historic architectural landmark, the class made a stop at the Pennsylvania Turnpike headquarters, a fascinating look at the state's transportation infrastructure.

The LBC Class has chosen a picnic table project for their class community service efforts. The seventeen classmates will construct and distribute seventeen tables at sites throughout the county to be used by the public. They are accepting donations from businesses to complete their project. Contact Facilitator Rick Smith (623-2233) for more information.

Recruitment will soon begin for the Leadership Class of 2019, with interviews taking place this summer prior to the September start of the 10-month program. If you are someone you know is interested in this valuable leadership program, which fosters a better understanding of the county while also building strong business and personal networking connections, contact the Chamber for an application or visit the Leadership page on the Chamber website.
