Holiday Nights of Lights Continued....

Santa's Elves Supporting Sponsor

Decorate Your Own Spot!

- * Opportunity to feature your company or organization as part of the *Eight Nights of Lights* attraction
- * Sponsor listing inside event flier, to be distributed to cars throughout the event
- * Santa's Elves sponsor recognition in all event advertising
- * First right of acceptance to renew sponsorship.
- * Two (2) complimentary car admission to use during event.
- * *(This sponsor's contribution to the event = your materials and labor to construct your display.)*

NOTE: In-kind sponsorships are also available: Media, Printing, Signage, Lights, Electric, Volunteers, etc.
Please call the Chamber to discuss the terms of in-kind sponsorships on a case-by-case basis.
(Benefits will be determined based on value of partnership using the terms listed in the previous sponsorships.)

The Fine Print:

- * This holiday display is unlike any other in our region! (A grass-roots community effort among Bedford County businesses, organizations, clubs & churches.)
- * Thank you to Cessna Broadcasting for the radio broadcast of music & sponsor announcements for guest to enjoy from their vehicles as they view the lights.
- * Light displays should be set up by 5pm - Tuesday, November 24th. Light displays may be constructed weekdays, 9am-5pm and weekends, 9am-4pm unless other arrangements are made with Chamber staff.
- * **OUTDOOR POWERSTRIPS, EXTENSION CORDS REQUIRED**
(DO NOT use indoor power strips - they will short out in rain or snow!)
- * Each display will be created and built by individual space sponsors (Santa's Elves.) The possibilities to promote your business, club, organization, school, church, etc. are endless! **The more the merrier**, and we hope to grow this event each year into a major regional holiday attraction! 100+ displays expected in 2021! Returning displays have first right of acceptance of their previous spots.
- * For displays: **Lights SHOULD be LED** (to preserve energy and to ensure that the lights last for many years, saving costs for all!)
- * **YOU MUST SECURE YOUR DISPLAY TO WITHSTAND SEVERE WEATHER. (High winds have damaged displays in past years.) Be sure to use zip ties, weights (sand bags, cinder blocks etc.) to ensure the stability of your display.**
- * The Chamber Special Events committee will assist participating businesses with theme development, if desired. (Think about ways to promote YOURSELF—vehicles, signs, etc.) as part of your holiday display.
- * When the event is over, individual light displays should be collected and stored by each sponsor for use in future years by January 7th, unless other arrangements are made.
- * Items left behind after January 31st may be dismantled by the Chamber and/or Fair and materials forfeited.
