*Exhibits, Experts, Opportunities Highlight Spring Trade Show*

Bedford County, PA -- The Bedford County Chamber of Commerce invites one and all to the 2024 Home, Garden, Lifestyle and Outdoors Show, presented in partnership with Juniata Trading Co. and State Farm Agents Matt Randall and Michael Meehan.

"We're so excited for this signature celebration of spring and home improvement season," said Chamber President-CEO Kellie Goodman Shaffer, "This show is a great opportunity to dream up your next home improvement project or outdoor Adventure in Bedford County."

The traditional home and garden show, which started more than two decades ago, has grown to offer something for everyone in the family, including dozens of exhibitors and local experts on everything from heating and cooling to windows and gutters, to lawn services and equipment and much more.

As you look to improve your living space, check in with State Farm agents Matt Randall and Michael Meehan to protect your home, car and property.

Those who love the outdoors will have great opportunities to meet and greet specialists and officials, including the team from Juniata Trading Company's firearm and archery departments, along with the PA Game Commission (Saturday) and Reynoldsdale Fish Hatchery (Sunday).

Ask the Expert opportunities provide show-goers with the chance to learn from Penn State's Master Gardeners, Fort Bedford Chapter of Trout Unlimited, and PA State Park officials, among the many exhibitors from a wide array of industries.

Featured garden sponsor Stoneham's Motorsports will be offering their UTV Show again this year; guests will also visit with sponsors like longtime show supporters Hines Equipment, offering the Cub Cadet Test Drive Challenge, and West Central Equipment, bringing their John Deere brand to peruse, alongside dozens of exhibitors inside and outside Jordan Hall.

ADMISSION IS FREE, and guests will enjoy food truck fare and live entertainment by Brandi Naugle (Saturday) and Lauren and Joe (Sunday) on the First Peoples Community Federal Credit Union stage under the Shawnee Structures Pavilion.

ALSM will host a Lego Contest Saturday for kids ages 4-12. All are welcome to register for a chance to win door prizes, including tickets to the 2024 Silver Lining Drive-In Movie season. Learn more about the show and plan your visit at
